Proposed Bikeway Network Routes: Ward 36 Scarborough Southwest

The Bikeway Network projects proposed in your ward are listed below. Some have a proposed year**. The project lists for 2009 and 2010 have not yet been set and will be drawn from the list.

All the bike lane projects have to go through an approval process that will involve consultations and meetings at council. Getting the proposals through the approval process will require the support of the ward Councillor. This election ask the candidates for council to support the routes proposed for your community. For info on the issues and candidates to go **www.TorontoCAT.ca/WardInfo.html**.
